

California Onsite Commitment Form

Coding Dojo, Inc. will be resuming in-person instruction at the San Jose and Burbank campuses for the Software Development Onsite Full-Time program. The San Jose and Burbank campuses will open "onsite" but will operate remotely until June 1st, 2022 in accordance with state and federal statutes.

By initialing below, the student acknowledges and affirms the following:

- 1 AA I have been accepted into the Software Development Onsite Full-Time program with either the San Jose or Burbank campus.
- 2 AA I will begin the program remotely and will remain remote until June 1st, 2022. I must maintain all academic and attendance requirements during this remote learning.
- 3 AA I am willing and able to attend the onsite location for my program starting June 1, 2022. If necessary, I will relocate prior to this date in order to attend in-person instruction.
- 4 AA I am willing to follow all California Covid recommendations for in-person educational learning as well as Coding Dojo's required safety protocols.
☒ [X] I am vaccinated against Covid 19 and can provide proof of vaccination if requested.
☐ [] I am not vaccinated due to medical or religious/personal exemption and can provide proof of exemption if requested.
- 5 AA I accept that due to changing safety recommendations, my program may remain remote if the June 1st deadline is extended by state and federal statutes.
- 6 AA I understand that if I change my campus location to any other than San Jose or Burbank, or if I change my program, that I will not be attending an onsite location.
